Fishergal - Alexandra  
Children like Alexandra is our  
future generation of outdoor  
sportspersons and citizens.  
Their future fishing and other  
outdoor experiences is  
dependent on decisions that we  
make today. Your vote to pass  
Senator Bales Senate Bill 425  
for "funding the Fort Peck  
Multispecies Fish Hatchery" is  
essential to their welfare. Don't  
allow amendments to it that will  
jeopardize sportsmans support.
